

Château Les Graves de Viaud is our range of wines in the AOC Côtes de Bourg. Exclusively sourced from our family-owned estate, these are exceptional wines that evoke strong emotions. They are representative of our appellation while also offering an innovative vision of Bordeaux with more fruity and fresh notes in the wines. The gentle and delicate aging process adds to their refinement. At the heart of the coast of Bourg, Chateau Les Graves de Viaud, a 15 hectares estate, extends along a hillside with southern exposure, comprising of vineyards, meadows and woods. It is in this beautiful environment that are located on 5.5 hectares vineyards of clayey and gravels soils.

A new life for new wines

It was here in 2010 after rich Professional careers in other professions that we settled. Château Les Graves de Viaud is committed to viticulture that respects the environment and life in general. Far beyond our Organic and Biodynamic approach, we opt for agriculture that respects the soil (conservation agriculture) and animal life (elimination of all animal manure).
